## Concerns about staff

- Any allegations about staff should be reported to the Designated Safeguarding Lead **immediately**.
- If the concerns are about the Designated Safeguarding Lead or the Headteacher, please inform the Chair of Governors or any other nominated Safeguarding Lead / Governor.
- **Elm Tree's Low-Level Concern and Whistleblowing Policies can be found on our school website under the Safeguarding page.**

## Worried about a child?

Abuse (physical, sexual, emotional) or neglect can have a damaging effect upon a child's health, education, attainment and emotional wellbeing.

Please report **any** concerns regarding a child to a DSL and record these concerns on CPOMS.

## Dealing with Disclosures of harm by a child

Whilst this can be an alarming situation, it is important to know what to do.

- Stay calm and controlled, listen to what is being said without showing shock or disbelief.
- Allow the child to talk freely and listen rather than asking the child direct questions.
- Offer reassurance.
- Explain to the child that you will talk to another adult at school so they can help.
- Record details immediately and use the exact words and phrases that were used by the child.
- Immediately report your concerns to the Designated Safeguarding Lead.
